1. This Questionnaire contains FOURTEEN (14) pages including these Instructions pages. Check the number of pages and the page numbers at the upper right hand corner of each page of this Questionnaire and make sure it has the correct number of pages and their proper numbers.

There are TWENTY-NINE (29) Essay and Multiple Choice Questions (MCQs) to be answered within *four (4) hours*.

The essay portion contains questions that are equivalent to *not less* than 80% of the whole examination, while the MCQ portion contains questions equivalent to *not more* than 20%.

2. Read each question very carefully and write your answers in your Bar Examination Notebook *in the same order the questions are posed*. Write your answers only on the front, not the back, page of every sheet in your Notebook. Note well the allocated percentage points for each number, question, or sub-question. In your answers, use the numbering system in the questionnaire.

If the sheets provided in your Examination Notebook are not sufficient for your answers, use the back page of every sheet of your Examination Notebook, starting at the back page of the first sheet and the back of the succeeding sheets thereafter.

3. Answer the Essay questions *legibly, clearly, and concisely*. Start each number on a separate page. An answer to a sub-question under the same number may be written continuously on the same page and the immediately succeeding pages until completed.

Your answer should demonstrate your ability to analyze the facts presented by the question, to select the material from the immaterial facts, and to discern the points upon which the question turns. It should show your knowledge and understanding of the pertinent principles and theories of law involved and their qualifications and limitations. It should demonstrate your ability to apply the law to the given facts, and to reason logically in a lawyer-like manner to a sound conclusion from the given premises.

A mere "Yes" or "No" answer without any corresponding explanation or discussion will not be given any credit. Thus, always *briefly* but fully explain your answers although the question does not expressly ask for an explanation. At the same time, remember that a complete explanation does not require that you volunteer information or discuss legal doctrines that are not necessary or pertinent to the solution to the problem. You do not need to re-write or repeat the question in your Notebook.

4. MCQs are to be answered by writing in your Notebook the capital letter A, B, C, or D corresponding to your chosen answer. There is only one correct answer to every MCQ; choose the BEST answer from among the offered choices.

5. Make sure you do not write *your name* or any *extraneous note/s* or *distinctive marking/s* on your Notebook that can serve as an identifying mark/s (such as names that are not in the given questions, prayers, or private notes to the Examiner).

Writing, leaving or making any distinguishing or identifying mark in the exam Notebook is considered cheating and can disqualify you for the Bar examinations.

You can use the questionnaire for notes you may wish/need to write during the examination.

Carlo and Bianca met in the La Boracay festivities. Immediately, they fell in love with each other and got married soon after. They have been cohabiting blissfully as husband and wife, but they did not have any offspring. As the years passed by, Carlo decided to take out an insurance on Biancaslife for ₱1,000,000.00 with him (Carlo) as sole beneficiary, given that he did not have a steady source of income and he always depended on Bianca both emotionally and financially. During the term of the insurance, Bianca died of what appeared to be a mysterious cause so that Carlo immediately requested for an autopsy to be conducted. It was established that Bianca died of a natural cause. More than that, it was also established that Bianca was a transgender all along a fact unknown to Carlo. Can Carlo claim the insurance benefit? Bong bought 300 bags of rice from Ben for ₱300,000.00. As payment, Bong indorsed to Bena Bank of the Philippine Islands (BPI) check issued by Baby in the amount of ₱300,000.00. Upon presentment for payment, the BPI check was dishonored because Babys account from which it was drawn has been closed. To replace the dishonored check, Bong indorsed a crossed Development Bank of the Philippines (DBP) check issued also by Baby for ₱300,000.00. Again, the check was dishonored because of insufficient funds. Ben sued Bong and Baby on the dishonored BPI check. Bong interposed the defense that the BPI check was discharged by novation when Ben accepted the crossed DBP check as replacement for the BPI check. Bong cited Section 119 of the Negotiable Instruments Law which provides that a negotiable instrument is discharged "by any other act which will discharge a simple contract for the payment of money." DC is a unit owner of Medici Condominium located in Pasig City. On September 7, 2011, Medici Condominium Corp. (Medici) demanded from DC payment for alleged unpaid association dues and assessments amounting to ₱195,000.00. DC disputed the claim, saying that he paid all dues as shown by the fact that he was previously elected as Director and President of Medici. Medici, on the other hand, claimed that DC's obligation was a carry-over of his obligations to the condominium developer, Medici Construction Corporation. Consequently, DC was prevented from exercising his right to vote and be voted for during the 2011 election of Medici's Board of Directors. This prompted DC to file a complaint for damages before the Special Commercial Court of Pasig City. Medici filed a motion to dismiss on the ground that the court has no jurisdiction over the intra-corporate dispute which the Housing and Land Use Regulatory Board (HLURB) has exclusive jurisdiction over. On December 1, 2010, Kore A Corporation shipped from South Korea to LT Corporation in Manila some 300,000 sheets of high-grade special steel. The shipment was insured against all risks by NA Insurance (NA). The carrying vessel arrived at the Port of Manila on January 10, 2011. When the shipment was discharged, it was noted that 25,000 sheets were damaged and in bad order. The entire shipment was turned over to the custody of ATI, the arrastre operator, on January 21, 2011 for storage and safekeeping, pending its withdrawal by the consignees authorized customs broker, RVM.

On January 26 and 29, 2011, the subject shipment was withdrawn by RVM from the custody of ATI. On January 29, 2011, prior to the withdrawal of the last batch of the shipment, a joint inspection of the cargo was conducted per the Request for Bad Order Survey (RBO) dated January 28, 2011. The examination report showed that 30,000 sheets of steel were damaged and in bad order.

NA Insurance paid LT Corporation the amount of ₱30,000,000.00 for the 30,000 sheets that were damaged, as shown in the Subrogation Receipt dated January 13, 2013. Thereafter, NA Insurance demanded reparation against ATI for the goods damaged in its custody, in the amount of ₱5,000,000.00. ATI refused to pay claiming that the claim was already barred by the statute of limitations. ATI alleged that the Carriage of Goods by Sea Act (COGSA) applies in this case since the goods were shipped from a foreign port to the Philippines. NA Insurance claims that the COGSA does not apply, since ATI is not a shipper or carrier. Who is correct? (5%)

Skechers Corporation sued Inter-Pacific for trademark infringement, claiming that Inter-Pacific used Skechers registered "S" logo mark on Inter-Pacific shoe products without its consent. Skechers has registered the trademark "SKECHERS" and the trademark "S" (with an oval design) with the Intellectual Property Office (IPO).

In its complaint, Skechers points out the following similarities: the color scheme of the blue, white and gray utilized by Skechers. Even the design and "wave-like" pattern of the mid-sole and outer sole of Inter Pacific shoes are very similar to Skechers shoes, if not exact patterns thereof. On the side of

Inter-Pacific shoes, near the upper part, appears the stylized "S" placed in the exact location as that of the stylized "S" the Skechers shoes. On top of the "tongue" of both shoes, appears the stylized "S" in practically the same location and size.

In its defense, Inter-Pacific claims that under the Holistic Test, the following dissimilarities are present: the mark "S" found in Strong shoes is not enclosed in an "oval design"; the word "Strong" is conspicuously placed at the backside and insoles; the hang tags labels attached to the shoes bear the word "Strong" for Inter-Pacific and "Skechers U.S.A." for Skechers; and, Strong shoes are modestly priced compared to the costs of Skechers shoes.

Under the foregoing circumstances, which is the proper test to be applied Holistic or Dominancy Test? Decide. (4%)

On May 13, 1996, PAM, Inc. obtained a ₱15,000,000.00 fire insurance policy from Ilocano Insurance covering its machineries and equipment effective for one (1) year or until May 14, 1997. The policy expressly stated that the insured properties were located at "Sanyo Precision Phils. Building, Phase III, Lots 4 and 6, Block 15, PEZA, Rosario, Cavite." Before its expiration, the policy was renewed on "as is" basis for another year or until May 13, 1998. The subject properties were later transferred to Pace Factory also in PEZA. On October 12, 1997, during the effectivity of the renewed policy, a fire broke out at the Pace Factory which totally burned the insured properties.

The policy forbade the removal of the insured properties unless sanctioned by Ilocano. Condition 9(c) of the policy provides that "the insurance ceases to attach as regards the property affected unless the insured, before the occurrence of any loss or damage, obtains the sanction of the company signified by endorsement upon the policy x x x (c) if the property insured is removed to any building or place other than in that which is herein stated to be insured." PAM claims that it has substantially complied with notifying Ilocano through its sister company, the RBC, which, in fact, referred PAM to Ilocano for the insurance coverage. Is Ilocano liable under the policy? (4%)

On July 3, 1993, Delia Sotero (Sotero) took out a life insurance policy from Ilocos Bankers Life Insurance Corporation (Ilocos Life) designating Creencia Aban(Aban), her niece, as her beneficiary. Ilocos Life issued Policy No. 747, with a face value of ₱100,000.00, in Soter's favor on August 30, 1993, after the requisite medical examination and payment of the premium.

On April 10, 1996, Sotero died. Aban filed a claim for the insurance proceeds on July 9, 1996. Ilocos Life conducted an investigation into the claim and came out with the following findings:

1. Sotero did not personally apply for insurance coverage, as she was illiterate.
2. Sotero was sickly since 1990.
3. Sotero did not have the financial capability to pay the premium on the policy.
4. Sotero did not sign the application for insurance.
5. Aban was the one who filed the insurance application and designated herself as the beneficiary.

For the above reasons and claiming fraud, Ilocos Life denied Aban's claim on April 16, 1997, but refunded the premium paid on the policy. (6%)

(A) May Sotero validly designate her niece as beneficiary?

(B) May the incontestability period set in even in cases of fraud as alleged in this case?

(C) Is Aban entitled to claim the proceeds under the policy?

Paul George Pua (Pua) filed a complaint for a sum of money against the spouses Benito and Caroline James (Spouses James). In the complaint, Pua prayed that the defendants pay Pua the amount of ₱8,500,000.00, covered by a check. Pua asserts that defendants owed him a sum of money way back in 1988 for which the Spouses James gave him several checks. These checks, however, had all been dishonored and Pua has not been paid the amount of the loan plus the agreed interest. In 1996, the Spouses James approached Pua to get the computation of their liability including the 2% compounded interest. After bargaining to lower the amount of their liability, the Spouses James gave Pua a postdated check bearing the discounted amount of ₱8,500,000.00. Like the 1988 checks, the drawee bank likewise dishonored this check. To prove his allegations, Pua submitted the original copies of the 17 checks issued by Caroline in 1988 and the check issued in 1996, Manila Trust Check No. 750. The Spouses James, on the other hand, completely denied the existence of the debt asserting that they had never approached Pua to borrow money in 1988 or in 1996. They assert, instead, that Pua is simply acting at the instance of his sister, Lilian, to file a false charge against them using a check left to fund a gambling business previously operated by Lilian and Caroline. A criminal complaint for violation of B.P. 22 was filed by Foton Motors (Foton), an entity engaged in the business of car dealership, against Pura Felipe (Pura) with the Office of the City Prosecutor of Quezon City. The Office found probable cause to indict Pura and filed an information before the Metropolitan Trial Court (MeTC) of Quezon City, for her issuance of a postdated check in the amount of ₱1,020,000.00 which was subsequently dishonored upon presentment due to "Stop Payment."

Pura issued the check because her son, Freddie, attracted by a huge discount of ₱220,000.00, purchased a Foton Blizzard 4x2 from Foton. The term of the transaction was Cash-on-Delivery and no downpayment was required. The car was delivered on May 14, 1997, but Freddie failed to pay upon delivery. Despite non-payment, Freddie took possession of the vehicle.

Pura was eventually acquitted of the charge of violating B.P. 22 but was found civilly liable for the amount of the check plus legal interest. Pura appealed the decision as regards the civil liability, claiming that there was no privity of contract between Foton and Pura. No civil liability could be adjudged against her because of her acquittal from the criminal charge. It was Freddie who was civilly liable to Foton, Pura claimed. Pura added that she could not be an accommodation party either because she only came in after Freddie failed to pay the purchase price, or six (6) months after the execution of the contract between Foton and Freddie. Her liability was limited to her act of issuing a worthless check, but by her acquittal in the criminal charge, there was no more basis for her to be held civilly liable to Foton. Pura's act of issuing the subject check did not, by itself, assume the obligation of Freddie to Foton or automatically make her a party to the contract. Is Pura liable? (5%)

#### XXV.

In an action for collection of a sum of money, the Regional Trial Court (RTC) of Makati City issued a decision finding D-Securities, Inc. liable to Rehouse Corporation for ₱10,000,000.00. Subsequently, the writ of execution was issued but returned unsatisfied because D-Securities had no more assets to satisfy the judgment. Rehouse moved for an Alias Writ of Execution against Fairfield Bank (FB), the parent company of D-Securities. FB opposed the motion on the grounds that it is a separate entity and that it was never made a party to the case. The RTC granted the motion and issued the Alias Writ of Execution. In its Resolution, the RTC relied on the following facts: 499,995 out of the 500,000 outstanding shares of stocks of D-Securities are owned by FB; FB had actual knowledge of the subject matter of litigation as the lawyers who represented D-Securities are also the lawyers of FB. As an alter ego, there is no need for a finding of fraud or illegality before the doctrine of piercing the veil of corporate fiction can be applied. The RTC ratiocinated that being one and the same entity in the eyes of the law, the service of summons upon D-Securities has bestowed jurisdiction over both the parent and wholly-owned subsidiary. Is the RTC correct? (4%)

DMP Corporation (DMP) obtained a loan of ₱20 million from National Bank (NB) secured by a real estate mortgage over a 63,380-square-meter land situated in Cabanatuan City. Due to the Asian Economic Crisis, DMP experienced liquidity problems disenabling it from paying its loan on time. For that reason, NB sought the extra judicial foreclosure of the said mortgage by filing a petition for sale on June 30, 2003. On September 4, 2003, the mortgaged property was sold at public auction, which was eventually awarded to NB as the highest bidder. That same day, the Sheriff executed a Certificate of Sale in favor of NB.

On October 21, 2003, DMP filed a Petition for Rehabilitation before the Regional Trial Court (RTC). Pursuant to this, a Stay Order was issued by the RTC on October 27, 2003.

On the other hand, NB caused the recording of the Sheriff's Certificate of Sale on December 3, 2003 with the Register of Deeds of Cabanatuan City. NB executed an Affidavit of Consolidation of Ownership and had the same annotated on the title of DMP. Consequently, the Register of Deeds cancelled DMP's title and issued a new title in the name of NB on December 10, 2003.

NB also filed on March 17, 2004 an Ex-Parte Petition for Issuance of Writ of Possession before the RTC of Cabanatuan City. After hearing, the RTC issued on September 6, 2004 an Order directing the Issuance of the Writ of Possession, which was issued on October 4, 2004.

DMP claims that all subsequent actions pertaining to the Cabanatuan property should have been held in abeyance after the Stay Order was issued by the rehabilitation court. Is DMP correct? (4%)

ELP Insurance, Inc. issued Marine Policy No. 888 in favor of FCL Corp. to insure the shipment of 132 bundles of electric copper cathodes against all risks. Subsequently, the cargoes were shipped on board the vessel "M/V Menchu" from Leyte to Pier 10, North Harbor, Manila.

Upon arrival, FCL Corp. engaged the services of CGM, Inc. for the release and withdrawal of the cargoes from the pier and the subsequent delivery to its warehouses/plants in Valenzuela City. The goods were loaded on board twelve (12) trucks owned by CGM, Inc., driven by its employed drivers and accompanied by its employed truck helpers. Of the twelve (12) trucks en route to Valenzuela City, only eleven (11) reached the destination. One (1) truck, loaded with eleven (11) bundles of copper cathodes, failed to deliver its cargo.

Because of this incident, FCL Corp. filed with ELP Insurance, Inc. a claim for insurance indemnity in the amount of ₱1,500,000.00. After the requisite investigation and adjustment, ELP Insurance, Inc. paid FCL Corp. the amount of ₱1,350,000.00 as insurance indemnity.

ELP Insurance, Inc., thereafter, filed a complaint for damages against CGM, Inc. before the Regional Trial Court (RTC), seeking reimbursement of the amount it had paid to FCL Corp. for the loss of the subject cargo. CGM, Inc. denied the claim on the basis that it is not privy to the contract entered into by and between FCL Corp. and ELP Insurance, Inc., and hence, it is not liable therefor.
